Mai, Natsuki and Tate!! The relationship between the 3 of them is at a turning point!!

第26話／姫星　The Princess Star

イェブヨシ

I don't know anything as well !!
The Chairman's room is empty and ...
Fuuka's Chairman and even Miss Fumi aren't around .....
ガラン。。
I intend to try to get to this new so-called Chairman's place from here
I understand, I'll try to get there well
Ah ..... Yeah
Tokiha !!

Miss ..... Miss Munakata ...
Our talk is not done yet

Shiho, now is not the occasion for that !!
This is just friendly girls' talk, okay !!
Sorry, Yuuichi, would you please go ahead ?
Tokiha !?

Let's have our talk, Miss Muna-kata
Hey, hey, you're looking good, aren't ya, Nao baby
Nnn ?
うばぁ
dammit
Stop that!! I'm through with you !!

Found it ...
What did you say you had found ?
Uh. Um. This is ...
!?
The two companions seem to be quite considerable trouble makers, eh
Referencing database... Secondary School 3rd Year Class G's Yuuki Nao and... the Key
I have no obligation to answer you
But what person would be shaking about the school like a thief? So saying that, what did you say you had found ?
Though I don't know what the hell Secrets is about
Miss Miyu

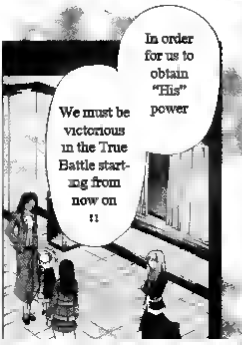
イェブヨシ
HiMEs or such with no character -_-
So are you going to preach to us a sermon or something ?
HA
Are of no use to the Academy that Seatts is building
If you want to do it, then I'll
ふふふ
Miss Miyu ..!!
Juliya !!!

On the day that I was attacked by a mysterious Child in the lab
スル
I was morially wounded ...
However I was saved .....
By Searrs' scientific prowess !!
Mother !!
If if that's the case, then why didn't you contact me until now ??
You worry over trivial issues
イェブヨシ

Even though I was separated from you, I was always thinking about you
And you say it was a trivial matter
Sister Natsuki .....
Alyssa is made by me from combining your DNA with that of the former Chairman of Searus
She's an artificial HiME
Mother !?
We are obviously family

Is that a declaration as a rival !?
But that is not the same as handing Yuuichi back to you or having him live in your room and so on ...
I understand your feelings for Yuuchi
!!
That's right !!
I like Yuuichi !!
My liking for Yuuichi will not lose to yours !!

Just like that, Brother dear is going to get killed !!
You don't know anything and yet ——!!
Eh ...?



In order for us to obtain "His" power
We must be victorious in the True Battle starting from now on !!

Do you really think that the fighting is over ——
Just because the Orphans are no longer around !?

"His"
...!?
"True Battle"
...!?
The "Obsidian Lord"
=We were born and exist in another place
The defeated Homura Nagi was his servant long ago
Nagi was just like an Orphan or Child
The opponent whom we must fight
.....
Now, the birthplace of Homura Nagi

The shining red star at the side of the moon
The Princess Star
The Princess Star.....!?
The star where Orphans and Childs are born, holds inexhaustable energy
If that is handled poorly, this Earth will surely be burnt to a cinder as if struck by "God's Thunder"

For the sake of the existence of mankind and even more so, for the building of its prosperity
So we must obtain that power ....
The one we have to defeat is the controller of the Princess Star
That is the "Obsidian Lord"
The "Obsidian Lord" !!?
Even without Keys we can still summon Childs
That's why we Princesses were created
The Chairman mentioned that the battle is started to force his surrender
イェブヨシ

And yet !!
You intend to have brother dear be involved in that battle !!?
!?
Tha... that's not it, I .....!!
Brother dear is the kind that jumps in to help on seeing anyone in trouble!! I among all know that very, very well !!
That's why I don't want him to be involved !!
To think that I intend to fight ...
If you still are unable to agree
I'll enlighten your ignorance with one more thing !!
The Child summoned by a HIME

If the Child dies!
How... how can this be ...
My Jullya ...
Aaaah!!
What the!? What the fuck is this!? I've never heard of this before!? ... Ahhh
Ga Ahhh

The Key will die along with it !!!

イェブヨシ

* "Highly advanced Materializing Equipment", not the girls

This is that very underground ruins
It is the Gate that is sealing the Princess Star

第27話／文化祭　Cultural Festival

I'm delighted that you will hear of my request
Welcome from your host, the Searrs Foundation
The first Culturol Festival of the New Fuuka Academy begins !!
Would you become a Princess for us
Miss Tokiha Mai
.....
イェブヨシ

Hold on!! What are you talking about !!
What the heck is this about Hot becoming a Princess !!
Cultur Festiva Equipm & Reser Roo
あぁ!!
E even if I tell you ..!!
Wa... Watch your manners !!
I don't know a thing as well, okay
What's going on, Tata !!
..... So, Midori...? You rejected them ?
The point is that I got chased out of her room without warning
Without being told of any reason even
Isn't that obvious!! I have NO faith in those mail order lucky talismans or devices that claim to make you smart !!
That is a bit different from what we're talking about .....
あ〜ん
ぷち
ぷち

* Yet those wondering why Midori's eating ramen (noodles) with curry (powdered spices) guess what is splattering out of her mouth!

イェブヨシ
Akane ...
If I were to talk things over with Kazu, he'll be telling me to treasure the bond that is between the HiME and her Key ...
What about you, Akane ?
!
She fricken makes any and every decision by herself!!
That's right we could have a small talk over things
Ok, ok I just lost my appetite
Talk things over !?
I'm already very pissed off !!!
Arrrgh

Of course! You need not worry over your brother's hospitalisation fees and such
It is true that I will still receive the scholarship I have at the moment, right
?
Please let me ask of one thing
Please don't move
Just put that earring on and you will be one of us from today onwards
Well then, let's begin
!
Please give me a little bit of time to think things through
Begging your pardons
イェヌヨン

イェブヨン
Tokiha
Did you become a Princess as well ?
That sort of thing— has nothing to do with Yuuichi at all
At this time, it isn't likely that it has nothing to do with me et all
Certainly, for what ere you being so willful for

イェブヨシ
The Key will die along with it !!
At the least, tell me a rea-son
If...if you want a rea-son .....
If the Child dies
It seems you're no longer nee-ded as a Key!! You look like a sex fiend, anyway !!
What ...!?

That's why I chased you out of my room !!
Is that a bad thing !?
The thing is, the Orphans are no longer appearing !!
There's no reason for the two of us to be together anymore !!
Not to speak of you being every bit the nosey poker who intrudes into the privacy of others. Your cute childhood friend has come for you, so won't it be good if you go over to her
Or
Do you think that you're already my boyfriend just because of a kiss ?
!!
イェブヨシ

I
under-
stand
.....
your
feelings
very well
!!

Hold on, what are you saying!? Tete !?
Yeah, there's no reason for me to be here anymore, so

イェブヨシ

イェブヨシ
I and Miss Fumi have been caught by Alyssa's Child
Chairmen!? Where are you now ?
So I see, Searrs Foundation has taken over the Academy
Tokiha is also becoming a Princess, moreover she's done with me
Now
What is happening at the Academy ?

I almost couldn't exchange farewells with you I have been receiving your help up till now
This is just nice
I have something that I must tell to you
Mr Tate
Chairman ?
If a Child dies, the Key will also die along with it !!

イェーガー
Please return to the Academy and stop Scarrs' recklessness
Up till now, you've been fighting the Orphans, placing you in dangers that weren't trivia but..... on top of that, I have a selfish request
Though you said that
Scarrs is mistaken. Left as it is now, the Academy, not to mention the world will
!?
Miss Tokiha and Miss Kuga have nothing to do with this !!
I'm useless even if I am around, right !?
Personally I cannot do anything, you know. Tokiha is becoming a Princess. Dhuran cannot be summoned
What is it that you want to do ?

Is that a smart way to live out your life ?
I'll ask you one more time
Turn your eyes away from reality, block out your ears and forget your former comrades and friends
What is it that you want to do ?

バチッ

Brother dear will go off together with me, right !?
You're not going to do something so stupid as to return to the Academy, right !?

Left like this, even the innocent students will
The Princess Star itself isn't what Searrs think it to be

I may not know what to do but to just silently watch on is something I will not stand for !!

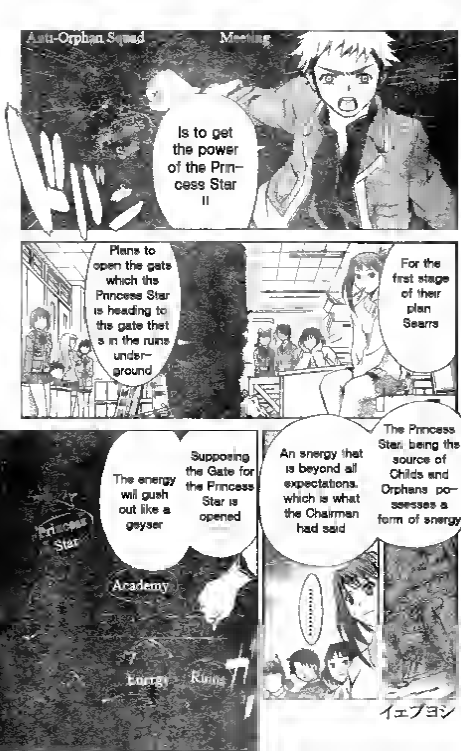
What Searrs is after
It is beginning
キリ
イェブヨシ



Anti-Orphan Squad
Meeting
Is to get the power of the Princess Star !!
Plans to open the gate which the Princess Star is heading to the gate that is in the ruins underground
For the first stage of their plan Searrs
The Princess Star, being the source of Childs and Orphans possesses a form of energy
An energy that is beyond all expectations, which is what the Chairman had said
Supposing the Gate for the Princess Star is opened
The energy will gush out like a geyser
Princess Star

Blowing Fuuka Academy away to smithereens* !!
イェブヨン

* I use "to smithereens" is my own addition :P

But it is impossible to summon Childs or Elements in the underground ruins because of the influence of the columns
The seal must be broken by destroying the columns surrounding the Crest
In order to open the Gate
That's why for the sake of this battle, I have brought Miyu along
Speaking of which, Natsuki hasn't done it yet, eh? Become a Princess and help your mother out
From the moment the Gate opens ... the Future of Humanity will begin

イェブヨシ

イェブヨシ
I won't become a Princess or such
I'm sorry to say this but
So just
Get out from this Academy "
What do you think you're doing ?
Pointing a gun at your mother like that
My gentle mother has died

イェブヨシ
Don't make me laugh
"
You dare to call yourself a mother at this time
?
Ten plus years have gone by without hearing anything from you
Moreover you even made a kid and brought her here
Because I am your daughter
Humanity's future is depending on this plan
However you're being extremely selfish, eh
We are family, aren't we
!?
!?
Stop it, sister
!!

Stop joking around !!
Ow !!
Mis-tress !!
イェブヨシ

Even like this, they are easily exposing themselves !!
Stupid!! They're extremely stupid !!
A Super Shukusei Flash will wipe them out in a single stroke !!
Huh, while the Cultural Festival is in progress !?
It can't be helped that there'll be some sacrifices if it's for the sake of Justice!!
Uh. Ummm
It'll be better to abandon
that idea
?

イェブヨシ

That should be "splitting my guts"
Hey, the side that came with hostile intentions from the beginning is yours!! To come now begging for your lives like this, you're splitting my butt*!!
* please read the last page for the original idioms (no way they can be translated into English and retain the feel)..
That sort of dishonest vote tampering !!
It's too early to be fighting, Haruka
If you're going to stop us, then show us that power to do so !!
Say it clearly if you've any complaints !!
E... even if you put it that way...
Is.. is it going to be like that .....
!?
Well ...
イェブヨシ

I won't hold back then
Gwah
!!
Damn... there's no mistake, it should be this direction
"
イェヨシ

Well done, Alyssa .....
Ugh .....

Waaah !!

Miyu, we're going on ahead. Leave the task of disposing Natsuki to Alyssa .....
Bu... but ..!!

I'll catch up in no time
It'll be fine, Miyu

4G III
I understand, mistress .....

イェブヨシ
Traitor!! You're not even fit to be called family
You were abandoned by mother
What can you do with only your Element ?
But... too bad, he has chosen another woman, even your Child has abandoned you
You like that man called Tate Yuuichi or something, don't you
That's why you're opposing us like this
Everyone was looking at me like I was a guinea pig
I was born and brought up in a laboratory

Praised me as long as I was able to produce results
Mother
But I have a family
When I was sad, a very gentle Miyu would be there
I want to be praised by mother
I wish to be hugged by Miyu
Eradicate you, the one who has become a nuisance to the family
That's why, I will
.....
!!
Is being abandoned such a frightening thing ?

イェブヨシ

That woman made me take a vow to avenge her...
To defeat the Child that had killed her
ミシャエ
Then 10 years and more have passed and she fricking waltzes back in like nothing has happened
In the end, she brought back a child even, stating that we are some kind of stupid family
I was more surprised than happy to see mother being alive
.....
What were those 10 years I went through all about... so were these feelings of mine all for naught
.....

Who-ever I come to like
I am finally free
But thinking like this
What-ever my reason to fight
They're entirely of my own will !!

イェブヨシ
look... you aren't able to keep your aim anymore
You were saying? That that woman abandoned me...
If that was the case, when will you be abandoned as well ?

I !!!
10 G
Am different from you !!
Gwah !!!
Hu hu hu
Just like that, you will be completely squashed to a pulp !!

Under 1G of gravitational pull, the speed of a falling item accelerates at 9.8 meters per second
Do you know about a thing called gravitational acceleration?
And now we have 10 times that gravity.....
If their speeds can be increased by that much.....
The bullets might look like tiny lil things but.....

イェブヨシ

They pack a hell lot of a punch !!!
Kyaaah !!
イェプヨン

It was a trick shot towards the sky ... to attack here, eh ...!?
Looks like we can get out from here, Miss Fumi
Don't tell me... The real target is to ...!?

へそで茶を沸かす
"Heso de Cha wo Wakasu"
"To boil/brew tea at the navel", this is to describe an event so foolish and/or ridiculous that one can die laughing at it.

へそで茶を点てます
"Heso de Cha wo Tatemasu"
"To make/set up tea at the navel", this is a non-existent idiom or it is more correct to say that it is the above idiom incorrectly quoted.

What could have made Haruka say the wrong thing? In Japanese tea ceremony, tea is made rather than brewed/boiled. "Cha wo Tatemasu" refers to the process of infusing hot water with the green tea powder, whisking it and offering it to the guest. This is the way one should talk about having green tea in those ceremonies.

Only "common grade" tea are brewed and poured out of the kettle So Haruka might have got mixed up there in how the idiom for a ridiculous situation is to be phrased.

Therefore what I did was to convey the context of the situation, that being Haruka messing up the idiom for laughing at a ridiculous/absurd situation. In this case, the idiom is "splitting my guts" and Haruka's messed up version being "splitting my butt"

Now..... in this narrow setting, even you won't have freedom to move about.
Ha
Men are just so disposable ♥
Like I said, who the heck are you ?
The excitin passions

youth
To have a young and vivacious sexually attractive body appear right in front of my eyes ....!!
I'm sorry Kuga !! Even now, my heart belongs to you hut —

If I say we do it now, we do it now !!
I'll be your opponent later, I have to first destroy that column now

Yuu-ichi

I was thinking... that you'll be coming for me

.....

ズリ

Kuga .....!!

You would do this to your own true daughter!?
Wa— was it you who shot her——?

She's merely an inferior product, you know
My true daughter?

イェブヨシ

Why won't you come out, Dhuran !!?
Waaargh, why !!?
Ho ho ho ho, at the end, she's still an inferior product, eh
As I expected it won't work
Hu hu... how uncouth of me, eh... that was certainly mean of me

If you can't move, you're just the same as a puppet
!!
イェ ヨン

Don't you worry
Now that you're reduced to such a state... what are you going to do!?
I do not have receptors for what you call pain
!!?

I won't thank you, you know
I won't expect any
Because now the priority is to stop her and her gang !!
ヘビプシュン

Do you desire so much for the power of the Princess Star !!
Why did you do things to this extent !?
Shit !?

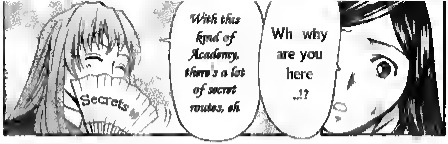
Of course! That is what the project is for !!
Please hold on
Shizuru !?



Secrets
With this kind of Academy, there's a lot of secret routes, eh
Wh why are you here ..!?

She is this kind of person who comes to the aid of people when they are in trouble
Natsuki is always doing things alone but
Mr Tate is one as well
So what are you here for, Fujino Shizuru

I was allowed the honour of giving a report on a portion of the events to the Searrs Foundation a while ago
Ms Chairman.... No former Searrs Chairman

The entire Board of the Executives is unanimous in their decision to relieve you of your position
イェブヨシ
Aaaaah !!!

第34話/未来への鍵

The Key to the Future

Now, me... I realised on that day
I understand it's all right don't speak
I wanted to give you the happiness of a family
For forgive me, Natsuki

It so happened that while in the middle of an experiment to find out how to use the fragment of the Princess Star that I had obtained
On that fated day
Somehow, I had even succeeded in opening a Gate with the Princess Star

I died once
However, because of a mysterious HiME who suddenly appeared from the Gate
The one that brought me back from that was the Searrs Foundation
They even gave me the funding and facilities to carry out my research

イェブヨシ
I finally comprehended why
But no matter how many times I tried, I kept failing ……
And imagine if I were to open the Gate once again!! ……
So that the mysterious HiME will get defeated but ……
Why did you make me swear to avenge you —?
…Then why ……
As expected, we can only open the original Gate of the Princess Star ……
Quit screwing around !!
Now that I have Miyu, you're no longer needed

That's why I am opening the Gate and going to the other side!!
How I wish to devote myself to studying it! The secret behind the energy of the mighty HiMEs! Everything regarding the existence of the HiMEs! The power originating from the Princess Stars!
!!
ハヒュー

Kuga
...!!

I have had enough of your pretentious statements !!

I have no intention to fight, I want only to stop you
Deal... with... me... seriously ...!!
Why... aren't... you... attacking ...?

* Mashuro is using names of tempo of music pieces to dictate her time manipulation. Adagio is a slow tempo music.

Don't... make fun of me ....

Please stop already, Alyssa, before the influence of the Princess Star takes effect

Are you resisting to the very end ?
To protect the Academy, to protect everybody !!
I just don't like that face of yours !!

For the sake of everybody, mother
Mashiro ... dedicate us Princesses, is that it ...
In reality... is that likely to be the right thing to do ?
It's not that I detest you, merely that ...
イェグドン
Waaaah !!

OW!
I didn't think that the inheritor of my genes would be so foolish, Natsuki
Are you happy to be rescued by that kind of man who does so out of pity ....?
Can a guy who gave you the cold shoulder be that important? Tate whom you like so much, he has probably already kissed Miss Tokiha, right
ヒロ
シモフェイ

There's no doubt that I did kiss Tokiha !!
It is nothing like pity !!
...
How-ever
Don.. don't tell me it's go-ing to be
The one I truly love is Kuga !!

イェブヨシ

Do you have any objection-ions about me helping out Kuga !!!
I do !!!
Oooof
Even if you say that !
That IS called "pity"!! Can't you come up with something more refined than that !!
?
ぐぎぎ
イェブヨシ

イェブヨシ

It is all right to think about one's self
Indeed, one can likely be comfortable with a solitary existence
But if one becomes a couple, then one must also think about one's partner
.....
I
.....
イェプヨン

Likely, there will be times of misunderstandings and times of quarrels
It does not matter
Who you will kiss, who you will like
Just like this
But if you hold tender feelings towards your partner
Like you

At least this feeling of mine will not waver !!!
That is the very thing I believe to be the key to opening the door to our future
Have you returned to me

Behold, one of the Universe's Three Greatest Beauties, Yang Guifei*!!!
The same to me, Marie Antoinette*! Pardon our unannounced intrusion!
The Seal on the Princess Star has been broken!!?
イェブヨシ

The forbidden Gate has been opened, is the situation entering a new phase!?

*To learn more of who Yang Guifei and Marie Antoinette are, turn to the next page

Yang Guifei (713 - 756 AD) (pronounced like "Young Guay Fay") is one of the four Greatest Beauties of China (ancient). She was concubine to the last emperor of the Tang dynasty, Tang Xuanzong. His infatuation with her led him to neglect state duties and splurge state capital on her whims (though he was of no great calibre in the first place).

A coup led by An Lushan overthrew the government in 755 AD and the people demanded that the emperor execute the former corrupt Prime Minister Yang Guozhong (cousin of Yang Guifei) and her blaming these two for the poor state of the country's affairs then. The emperor succumbed to their demands, ending Lady Yang's life.

Yang Guifei unlike the other four Greatest Beauties (Wang Zhaojun Diao Chan and Xi Shi) who are slender beauties, is supposedly a plump/rubenesque beauty.

Marie Antoinette (2nd Nov 1755 - 16 Oct 1793) was the Queen of France, married to King Louis XVI. Whether Marie was a brave Queen or an ignorant overly proud monarch is still debateable, what remains the fact is that the public then perceived her as the latter. As such, along with all the royalty, she was targeted for persecution. She was guillotined (beheaded) during the apex of the French Revolution.

A famous story (which is likely a false tale attributed to her) circulating about her answer to a courtier who had informed her that the peasants were starving for lack of bread. Her supposed answer? "Well, let them eat cake."
